

# Ansel Elgort - Thief

Tom: B

Call me a thief<sup>Dbm</sup>  
 There's been a robbery<sup>E</sup>  
 I left with her heart<sup>B</sup>  
 Tore it apart<sup>Gb</sup>  
 Made no apologies

I've been living in the darkness<sup>Dbm</sup>  
 Shadows in my apartment, heartless<sup>E</sup>  
 Taking love just to spill it on parchment<sup>B</sup>  
 Next page and I'm out again<sup>Gb</sup>

I've been living in the night life<sup>Dbm</sup>  
 Lips hit you like a drive by, frost bite<sup>E</sup>  
 Ice cold, I mean they cut you like a sharp knife<sup>B</sup>  
 Next page and I'm out again<sup>Gb</sup>

Skin on my skin, what a wonderful sin<sup>Dbm</sup>  
 Take your breath but you're asking for more<sup>E</sup>  
 The tip of my finger is tracing your figure<sup>B</sup>  
 I say good night and walk out the door<sup>Gb</sup>

Call me a thief<sup>Dbm</sup>  
 There's been a robbery<sup>E</sup>  
 I left with her heart<sup>B</sup>  
 Tore it apart<sup>Gb</sup>  
 Made no apologies<sup>Dbm</sup>  
 Just call me a thief<sup>E</sup>  
 She was on top of me<sup>B</sup>  
 Then I left with her heart

Broken and scarred<sup>Gb</sup>  
 Made no apologies

We can be so hollow<sup>Dbm</sup>  
 Like my rib cage, the echoes follow<sup>E</sup>  
 Follow me like the fears I swallow<sup>B</sup>  
 And drown in all my mistakes<sup>Gb</sup>

All I know is that your skin bled<sup>Dbm</sup>  
 Like the ink dripped from my pen<sup>E</sup>  
 My bed will be drenched in a scarlet rose red<sup>B</sup>  
 And drown in all my mistakes<sup>Gb</sup>

Girl you better just lock me up<sup>Dbm</sup>  
 Because I've never been good enough<sup>E</sup>  
 So you better just lock me up, lock me up<sup>B</sup>
