

Ansel Elgort - Thief

Tom: B

Call me a thief^{Dbm}
 There's been a robbery^E
 I left with her heart^B
 Tore it apart^{Gb}
 Made no apologies

I've been living in the darkness^{Dbm}
 Shadows in my apartment, heartless^E
 Taking love just to spill it on parchment^B
 Next page and I'm out again^{Gb}

I've been living in the night life^{Dbm}
 Lips hit you like a drive by, frost bite^E
 Ice cold, I mean they cut you like a sharp knife^B
 Next page and I'm out again^{Gb}

Skin on my skin, what a wonderful sin^{Dbm}
 Take your breath but you're asking for more^E
 The tip of my finger is tracing your figure^B
 I say good night and walk out the door^{Gb}

Call me a thief^{Dbm}
 There's been a robbery^E
 I left with her heart^B
 Tore it apart^{Gb}
 Made no apologies^{Dbm}
 Just call me a thief^E
 She was on top of me^B
 Then I left with her heart

Broken and scarred^{Gb}
 Made no apologies

We can be so hollow^{Dbm}
 Like my rib cage, the echoes follow^E
 Follow me like the fears I swallow^B
 And drown in all my mistakes^{Gb}

All I know is that your skin bled^{Dbm}
 Like the ink dripped from my pen^E
 My bed will be drenched in a scarlet rose red^B
 And drown in all my mistakes^{Gb}
