

# Anson Seabra - Welcome To Wonderland

tom:

**E**

**E**

Welcome to Wonderland

**E**

We've got it all

**Abm**

Potions and pastries that make you grow tall

**Dbm**

Forests and cottages, castles and cards that can talk **A**

**E**

Welcome to Wonderland

**E**

Look where you're at

**Abm7**

Maddest of hatters

**Abm7**

The Cheshire Cat

**Dbm**

Magical cabins and lovely white rabbits with clocks **A**

**A**

**E**

Dancing through a dream

**Abm7** **Dbm**

Underneath the stars

**A** **E** **B B**

Laughing till the morning comes

**A** **E** **Ab** **Dbm**

Everyone that leaves has a heavy heart

**B** **A** **B**

Oh, Wonderland I love

**E**

Welcome to Wonderland

**E**

I'll be your guide

**Abm7**

Holding your hand under sapphire skies

**Dbm**

Let's go exploring or we could just go for

**A**

A walk

**E**

Welcome to Wonderland

**E**

Where should we go

**Abm7**

There's a tea party along down the road

**Dbm**

Make an appearance and maybe they'll sing us a song **A**

**A** **E**

Dancing through a dream

**Abm7** **Dbm**

Underneath the stars

**A** **E** **B B**

Laughing till the morning comes

**A** **E** **Ab** **Dbm**

Everyone that leaves has a heavy heart

**B** **A** **B**

Oh, Wonderland I love

**Gbm** **B**

Nothing around here is quite

**E**

As it seems

**Gbm** **B B**

Not sure if anything's real or

**E**

A dream

**Gbm** **B**

And the only thing sure from the start

**Ab** **Dbm**

Is the song that's inside of your heart

**B** **A**

Don't let

**B**

It leave

**A** **E** **Abm7** **Dbm**

If this was a dream then at least I've got

**A** **E** **B B**

Memories for when morning comes

**A** **E** **Ab** **Dbm**

Now that I must leave with a heavy heart

**B** **A** **Am** **E**

Oh, Wonderland I love

## Acordes
