Tom: G  
Intro: Gb B Gb B

[Verso]

Gb B  
It feels like I'm running in circles  
Gb B  
One day I'm up, next time I'm down  
Gb B  
And how could I ever learn to trust You  
Abm Db  
If all my solid ground is me

[Refrão]

Gb B  
And I keep on trying to earn Your love  
Gb B  
Even though without You, I know I can do nothing  
Ebm B  
So teach me to lay down all of my burdens  
Abm Db  
Because only in You, only in You, I  
Gb B  
I have enough, ooh yeah  
Gb B  
I have enough, ooh

[Verso 2]

Gb B  
Yet time and time again, You're faithful  
Gb B  
And prove Yourself to being good  
Gb B  
But I still feel like I'm able  
Abm Db  
To be everything I need

[Refrão]

Gb B  
And I keep on trying to earn Your love  
Gb B  
Even though without You, I know I can do nothing  
Ebm B  
So teach me to lay down all of my burdens

Because only in You, only in You, I

I have enough, ooh yeah
