

# Antônia Abrantes - O Grande Amigo

Tom:

Intro: C Am F G G

Ninguém amou assim

Tanto de dar Sua vida por nós

Um amigo que não abandona amigo

No meio do caminho

Mudou minha vida pra melhor

Compreendi a razão do meu viver

Quero viver nesse amor

Tão profundo

De Jesus, Jesus

O caminho que estou trilhando

Tem espinhos, eu sei

Mas é bom pisar em espinhos

Porque sei que lá na frente

Encontrarei a felicidade de poder amar, amar, amar

Com o mesmo amor de Jesus

Ninguém amou assim
