

Antonio Carlos & Jofafi - Toró de lágrimas

tom:

C

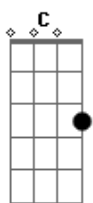

Toró de lágrimas, foi o retrato doido que você deixou
 Foi no momento de sede que a fonte secou, ai de mim
 Toró de lágrimas, foi amor programado por computador
 Tanta lembrança bonita e você não guardou, ai de mim

O seu amor fabricado se fez por fazer

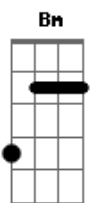

Angústia e desprezo, desmancha prazer
 No fundo, no fundo você não prestou
 Toró

Um sentimento emprestado perdeu seu valor
 Eu compro essa briga e não faço favor
 No fundo, no fundo você não prestou
 Toró
