

Antonio Mourão - Pensando Em Ti

tom:

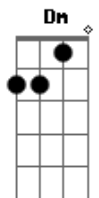

Dm
Acordei mas não te vi
Nem sequer o teu retrato
À cabeceira sorri
Na solidão do meu quarto
Gm **C**
Acordei como quem chama
Por alguém que se deitou
No calor da minha cama
E de noite me deixou
D **Bm** **Em**
Pensando em ti, adormeci, mas acordei

Reconheci que te perdi e então chorei
Mesmo a dormir, julguei sentir o teu calor
E o teu carinho p'lo nosso ninho, oh meu amor

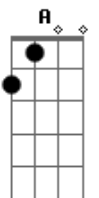

Dm **A**
Acordei como quem ouve
Um amor que bate à porta
Fui abrir, lá fora chove
Não há ninguém, noite morta

Gm **C**
Acordei como quem chora
Por alguém que já morreu
Neste quarto aonde mora
Um fantasma, que sou eu
