

Antonio Pereira - Flor

Tom: G

Quem dera tu fosse, pequena
 Quem dera fosse minha flor
 Saía daquela janela
 Pro embaló do meu amor
 Sagrado raio prateou
 Um grilo entoou no caminho
 Seu canto sozinho

Em meu peito ficou
 No peito um cantar me veio
 E era bem de tardinha
 Remanso tão manso, calma
 Refrão:
 Me acalma um dia
 Me acalma um dia
 Me acalma um dia
