

# Aparecido Galindo - A Bela Dama

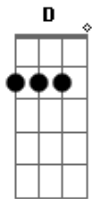

tom:

A Bela Dama  
 Me visitou  
 A meia noite  
 Ela chegou  
 Me convidando  
 A lhe acompanhar  
 Para onde vamos  
 Sem regressar  
 Ó Bela Dama  
 Refúgio da dor  
 Deixe-me, mais um pouco

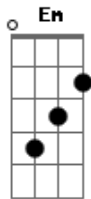

Acreditar, no amor

A sua voz  
 Era gelada  
 E sua face  
 Escalavrada  
 A convidei  
 Não quis entrar  
 Então partiu  
 A escutar  
 Ó bela dama  
 Refúgio da dor  
 Deixe-me, mais um pouco  
 Acreditar, no amor
