

Aparecido Galindo - Dama Dos Lajeiros

tom:

D

D

Eu viajante ainda quero

Subir nesse teu coqueiro

Pois a saudade machuca

É cego o meu desespero

Meu peito é um matadouro

Mas renasço o tempo inteiro

Quero ouvir as melodias

Na voz dos seus toadeiros

Prometo não incomodar

Os amantes no cruzeiro

Vou ser na tua emboçada

O ganzá e o pandeiro

Eu quero me balançar

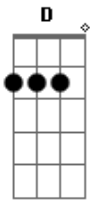

Nas cordas dos violeiros

E encharcado de luar

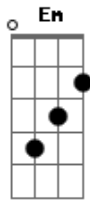

Vou lhe tirar pra dançar

Minha dama dos lajeiros
