

# Apenas Um Show - Party Tonight

Tom: F

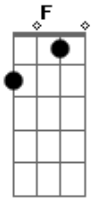

Baby let's just party tonight.

**Dm** **C**  
Your eyes staring into my eyes  
**F** **Bb** **Dm** **C**  
Who am I but a guy with two eyes on the prize  
**Dm** **C**  
And prize in my eyes is ten times  
**F** **Bb** **Dm** **C**  
The surprize in your eyes as I kiss you goodnight.

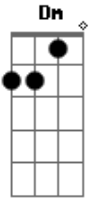

**Bb** **A** **Dm**  
Your smile is the fire that rocks my soul  
**F** **C** **Bb**  
Gonna remember it until I grow old  
**Bb** **A** **Dm**  
'cause life is too short, we gotta do things right.  
**F** **C** **Bb**  
So baby let's just party tonight  
**F** **C** **Bb**

**Bb**  
We've come out on top,  
**A** **Dm**  
We're in front of the line.  
**F** **C**  
We're rock to out  
**Bb**  
And have a good time  
**Bb**  
'cause past is the past  
**A** **Dm**  
And the future is bright  
**F** **C** **Bb**  
So baby let's just party tonight.  
**F** **C** **Bb**  
Baby let's just party tonight.
