

Aquilo - I Gave It All

Tom: C

This glass it breaks
 So delicate it shatters 'round my feet
 And my hands they bleed
 A stain I'll always remember
 A stain that stays with me
 But this changes you
 It's harder now we're breaking
 And I should know it's never right for me to say
 That I wanted this
 I know I can't but I can still recall
 I gave it all
 Given up on luck my hands above the dust
 This love you broke

Come closer darling don't forget to fake
 A smile you had
 You tried so hard to fool yourself instead
 You gave it all
 Given up on luck your hands above the dust
 You gave it all
 I waited by the other side my friend
 You'll find it funny when you're looking back some day
 The love you knew, the love you knew
 You'll find it funny when you're looking back some day
 You gave it all
 Given up on luck your hands above the dust
 You gave it all,
 I waited by the other side my friend
