My demons I've left behind  
**D**  
 What am I trying to find?  
**Gbm**  
 I'm dancing on my own  
**D**  
 The wind begs me to go

To the place where my soul is settled  
**Gbm**  
 Can't you see my wings?  
**D**  
 They just want to be free  
**Gbm**  
 Like birds in the sky
