

## **Arch Enemy - Reason To Believe**

```
Tom: B
Intro: Bm G Em C
 Bm A Em
[Verso 1]
Bm G
There's a scar on your heart
But your journey's just begun
A distant light that's worth the fight
The story's far from done
        Bm
Stop hurting yourself
Those tired sores have nothing more to bleed
[Pré-Refrão]
Bm C D Em
Self hatred I know it well it's dragging you down

A

C
Listen to me now
[Refrão]
       Em
                 Bm
There's a reason to believe again
D Em Bm
There's a reason to go on
D Em Bm G
Always keep on fighting my friend
D Em
               Bm
There's a reason to believe
[Verso 2]
They don't understand you
And they hate what they don't understand
```

```
You are more than they'll ever know
Like sand through your fingers
Don't let your life slip away
This prison of glass can't hold you back no more!
