

# Arctic Monkeys - Arabella

Tom: G  
Intro: Em Am G Em Am G  
Em Am G Em Am G

[Verso]

G Em Am  
Arabella's got some interstellar gator skin boots  
Am G Em  
And a Helter Skelter 'round her little finger and I ride it  
endlessly  
She's got a Barbarella silver swimsuit Am  
G Em  
And when she needs to shelter from reality  
She takes a dip in my daydreams

[Refrão]

Em Am G Em  
My days end best when the sunset gets itself behind  
Am G Em  
That little lady sitting on the passen-ger side  
Am G Em  
It's much less picturesque without her catching the light  
The horizon tries but it's just not as kind on the eyes  
Em G Em Am Em G Em Bm  
As Arabella  
Em G Em Am Em G Em Bm  
Oh As Arabella

Em G Em Am Em G Em Bm  
Just might've tapped into your mind and soul  
Em G Em Am Em G Em Bm  
You ca--a--n't be sure

[Verso]

G Em Am  
Arabella's got a '70s head  
G  
But she's a modern lover

Em Am G  
It's an exploration she's made of outer space  
Em Am  
And her lips are like the galaxy's edge Am  
G Em Am  
And her kiss the color of a constellation falling into place

[Refrão]

Em Am G Em  
My days end best when the sunset gets itself behind  
Am G Em  
That little lady sitting on the passen-ger side  
Am G Em  
It's much less picturesque without her catching the light  
The horizon tries but it's just not as kind on the eyes  
Em G Em Am Em G Em Bm  
As Arabella  
Em G Em Am Em G Em Bm  
Oh As Arabella

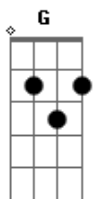

Em G Em Am Em G Em Bm  
Just might've tapped into your mind and soul  
Em G Em Am Em G Em Bm  
You ca--a--n't be sure

C Am  
(That's magic) in a cheetah print coat  
Em  
(Just a slip) underneath it I hope  
G  
(Asking if) I can have one of those  
C  
(Organic) cigarettes that she smokes  
Am  
(Rubs her lips) 'round a Mexican Coke  
C  
(Makes you wish) that you were the bottle  
G Eb  
(Takes a sip) of your soul, and it sounds like

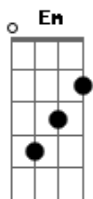

[Solo]

Em G Em Am Em G Em Bm  
Just might've tapped into your mind and soul  
Em G Em Am Em G Em Bm  
You ca--a--n't be sure
