 Now it's getting dark  
 D G  
 And the sky looks sticky  
 C D G  
 More like black treacle than tar  
 C  
 Black treacle,  
 D G Em Cm G  
 Somebody told the stars you're not coming out tonight  
 Cm G D Em C  
 So they find a place to hide

Does it help you stay up late  
 Does it help you concentrate,  
 Does it tune you in, when you chew your chin?

Am i ruining your fun?

And you talk the talk alright  
 But do you walk the walk, or catch the train?  
 You wanted it, you got it  
 But you don't want it now

Now it's getting dark  
 And the sky looks sticky  
 More like black treacle than tar  
 Black treacle  
 Somebody told the stars you're not coming out tonight  
 So they found a place to hide

C  
 Now i'm out of place  
 D G  
 And i'm not getting any wiser  
 C  
 I feel like the sundance kid,  
 D G  
 Behind the synthesiser  
 Em  
 And i tried last night  
 C D  
 To pack away the laugh  
 G Cm  
 Like a key under the mat  
 C D  
 But it's never seems to be there  
 [ G D Em C ] Até o fim  
 When you want it

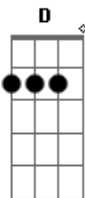

Black treacle  
 Black treacle  
 Black treacle
