

Arctic Monkeys - Catapult

Tom: C

Am Em Am
Both sides
Em Am Em Am Em
And softly came the growl from both sides
Am Em Am Em
And if his whisper splits the mist
Am Em Am Em
Just think of what he's capable of with his kiss
Am Em Am
Nice try
Em Am Em Am
You cannot turn away but nice try
Em Am Em Am
Turned your legs to little building blocks
Em Am Em Am Em
And with his index finger flicks you on your socks
(Am Em Am Em)
(Am Em Am Em)
(Am Em Am Em)
(Am Em Am Em)
Am Em Am
I go high pitched
Em Am Em Am Em
He'll talk and make your voice sound high pitched
Am Em Am
Dread to think if he got you on your own
Em Am Em Am Em
And whispered in your ear in that baritone
Am Em Am
It's the same stone
Em Am Em Am Em
His heart was cut out of the same stone
Am Em Am
That they used to calve his jaw
Em Am Em Am Em
It's impossible not to feel inferior
Dm Am
And he could catapult you back to your daddy
Em Am
Or into any hissing misery
Dm Am
And he will tear you out the day after a triumph is as hollow
Em Am
As the day after a tragedy
Dm Am
He'll extinguish any chance of escape
Em Am
When he slaps you on your arse or kisses your nape

Dm Am Em Bb
And he's leaving without saying 'Bye'
(Am Em Am Em)
(Am Em Am Em)
(Am Em Am Em)
(Am Em Am Em)
(Am Em Am Em)
(Am Em Am Em)
(Am Em Am Em)
(Am Em Am Em)
(Am Em Am Em)
(Am Em Am Em)
(Am Em Am Em)
Dm Am
And you would queue up to listen to him pissing
Em Am
And hang around to watch some poor girl blub
Dm
And then they chase him down the avenue
Am Em Am
Incessantly pestering him to let 'em join the club
Dm Am
He knows how to put a cork in the fuss
Em Am
And just how to shut up the charming ones of us
Dm Am Em
And I've seen him talking to your lady friend
F G
There's a dust track
Am
Waiting for betrayal
F G Am E
Where he'll teach you all the bits they missed
(Am Em Am Em)
(Am Em Am Em)
Am Em Am
Nice try
Em Am Em Am
You cannot turn away but nice try
Am Em Am
Nice try
Em Am Em Am
You cannot turn away but nice try
Am Em Am
Nice try
Em Am Em Am
You cannot turn away but nice try
Am Em Am
Nice try
Em Am Em Am Em Am Em Am Em Am
You cannot turn away but nice try
Em Am Em Am Em Am Em Am
You cannot turn away
