

# Arctic Monkeys - Cornerstone

Tom: A

(intro) A

A  
I thought I saw you in the battleship  
D Bm  
but it was only a look-a-like  
A  
She was nothing but a vision trick  
D Bm  
under the warning light  
Gbm A Gbm  
She was close, close enough to be your ghost  
A D Bm  
A  
But my chances turned to toast when i asked her, if i could  
call her your name  
(A Gbm A Gbm )

A  
I thought I saw you in the rusty hook  
D Bm  
huddled up in a wicker chair  
A  
I wondered over for a closer look  
D Bm  
and kissed whoever was sitting there  
Gbm A Gbm  
She was close and she held me very tightly  
A D Bm A  
Gbm A Gbm E  
So that I softly politely please, can I call you her name  
D Bm  
And I elongated my lift home  
Gbm D  
yeah I let him go the long way round  
Bm  
I smelt your scent on the seatbelt  
E A D E  
and kept my shortcuts to myself

A  
I thought I saw you in the parrots beak  
D Bm  
messing with the smoke alarm  
A  
it was too loud for me to hear her speak  
D Bm  
and she had a broken arm  
Gbm A  
it was close, so close that the walls were wet  
Gbm A D Bm Dbm  
and she wrote it as electroset, no you cant call me her name  
A Dbm  
Tell me where's your hiding place  
A Dbm  
I'm worried I'll forget your face  
Gbm  
and i've asked everyone  
Bm E  
I'm beginning to think I imagined you all along  
D Bm  
I elongated my lift home  
Gbm D  
Yeah I let him go the long way round  
Bm  
I smelt your scent on the seatbelt  
Dm  
(solo)  
A  
I saw your sister in a cornerstone  
D Bm  
on the phone to the middle man  
A  
When I saw that she was on her own  
D Bm  
I thought she might understand  
Gbm A Gbm  
She was close, well you couldn't get much closer  
A D  
She said I'm really not supposed to but yes  
Bm A  
You can call me anything you want
