

Arctic Monkeys - Dance Little Liar

Tom: E

(versão acústica)

(intro) Dbm Gbm

Dbm Gbm
I heard the truth was built to bend
Dbm Gbm
A mechanism to suspend
Dbm Gbm
The guilt is what you are requiring
Dbm Gbm
Still you've got to dance little liar
Dbm Gbm
Just like those fibbs that pop and fizz
Dbm Gbm
And you'll be forced to take that awful quis
Dbm Gbm
And you're bound to trip and she'll detect the fiction
Dbm Gbm
On your lips and dig a contradiction up

(refrão)

A Gbm Dbm
and the clean coming will hurt
B Gbm
and you can never get it spotless
E Ab
when there's dirt beneath the dirt
(pausa) Dbm

the liar take a lot less time

(Dbm Gbm)

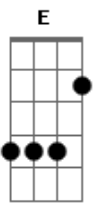

(repete acordes da 1ª parte)

I'm sure it's clear and plain to me
Its not an alibi you need just yet
Oh no it's something for those beads of sweat
Yes that we'll get you back to normal
And after you have dabbed the patch you'll grieve
And then proceed to scratch the varnish off
That newly added calmness
So as not to raise any alarms too soon

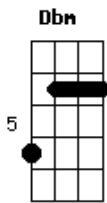

(repete refrão)

Gbm Dbm
Time to decide on his saunter
Gbm
Have you got itchy bones
Dbm B
And in all your time alone
Gbm E
Can you hack your mind being riddled
Ab
With the wrong memories
A Gbm Dbm
and the clean coming will hurt
B Gbm
and you can never get it spotless
E Ab
When there's dirt between the dirt
