

# Arctic Monkeys - Dancing Shoes

Tom: B

Get on your dancing shoes<sup>Ab</sup>  
 There's one thing on your mind<sup>Db E</sup>  
 Hoping they're looking for you<sup>Ab</sup>  
 Sure you'll be rummaging through<sup>Db E</sup>  
 Oh, And the shit, shock, horror<sup>Ab</sup>  
 You've seen your future bride<sup>Db E</sup>  
 Oh, but it's oh so absurd<sup>Ab</sup>  
 For you to say the first word<sup>Db</sup>  
 So you're waiting and waiting<sup>E</sup>  
 ( Ab Gb Db B Ab )

The only reason that you came<sup>Ab Gb Db B Ab</sup>  
 So what you scared for<sup>Ab Gb Db B Ab</sup>  
 Don't you always do the same<sup>Ab Gb Db B Ab</sup>  
 It's what you there for, don't you know<sup>Ab</sup>  
 The lights are flashing<sup>Db E</sup>  
 Down in here tonight<sup>Ab</sup>  
 And some might exchange a glance<sup>Db E</sup>  
 But keep pretending to dance<sup>Ab</sup>  
 Don't act like it's not happening<sup>Db E</sup>  
 As if it's impolite<sup>Ab</sup>  
 To go and mention your name

Instead you'll just do the same<sup>Db</sup>  
 As they all do, and hope for the best ...<sup>E</sup>  
 ( Ab Gb Db B Ab )

The only reason that you came<sup>Ab Gb Db B Ab</sup>  
 So what you scared for<sup>Ab Gb Db B Ab</sup>  
 Well, Don't you always do the same<sup>Ab Gb Db B Ab</sup>  
 It's what you're there for but no...

Solo part (just repeat de chords Ab - Db - E like the verse's part)

Here you can slow down like in the song

Get on your dancing shoes<sup>Ab</sup>  
 You sexy little swine<sup>Db E</sup>  
 Hoping they're looking for you<sup>Ab</sup>  
 Sure you'll be rummaging through<sup>Db E</sup>  
 Here comes the intense part

And I said the shit, shock, horror<sup>Ab</sup>  
 You've seen your future bride, yeah<sup>Db E</sup>  
 Yeah, but it's oh so absurd<sup>Ab</sup>  
 For you to say the first word<sup>Db</sup>  
 So you're waiting and waiting<sup>E</sup>
