

# Arctic Monkeys - Dancing Shoes

Tom: B

Get on your dancing shoes  
 There's one thing on your mind  
 Hoping they're looking for you  
 Sure you'll be rummaging through  
 Oh, And the shit, shock, horror  
 You've seen your future bride  
 Oh, but it's oh so absurd  
 For you to say the first word  
 So you're waiting and waiting  
 ( Ab Gb Db B Ab )

The only reason that you came  
 So what you scared for  
 Don't you always do the same  
 It's what you there for, don't you know  
 The lights are flashing  
 Down in here tonight  
 And some might exchange a glance  
 But keep pretending to dance  
 Don't act like it's not happening  
 As if it's impolite  
 To go and mention your name

Instead you'll just do the same  
 As they all do, and hope for the best ...  
 ( Ab Gb Db B Ab )

The only reason that you came  
 So what you scared for  
 Well, Don't you always do the same  
 It's what you're there for but no...

Solo part (just repeat de chords Ab - Db - E like the verse's part)

Here you can slow down like in the song

Get on your dancing shoes  
 You sexy little swine  
 Hoping they're looking for you  
 Sure you'll be rummaging through  
 Here comes the intense part

And I said the shit, shock, horror  
 You've seen your future bride, yeah  
 Yeah, but it's oh so absurd  
 For you to say the first word  
 So you're waiting and waiting
