Have you got colour in your cheeks?  
Do you ever get that fear that you can't shift the tide  
That sticks around like something in your teeth  
Hide some aces up your sleeve  
Have you no idea that you're in deep?  
I've dreamt about you nearly every night this week  
How many secrets can you keep?  
'Cause there's this tune I've found  
That makes me think of you somehow  
When I play it on repeat  
Until I fall asleep  
Spilling drinks on my settee  
(Do I wanna know?)  
If this feeling flows both ways  
(Sad to see you go)  
Sort of hoping that you'd stay  
(Baby we both know)  
That the nights were mainly made for saying things  
That you can't say tomorrow day  
Crawling back to you  
Ever thought of calling when you've had a few?  
Cause I always do  
Maybe, I'm too  
Busy being yours to fall for somebody new

Now I've thought it through  
Crawling back to you  
So have you got the guts?  
Been wondering if your heart's still open  
And if so I wanna know what time it shuts  
Simmer down and pucker up  
I'm sorry to interrupt  
It's just I'm constantly on the cusp of trying  
To kiss you  
I don't know if you  
Feel the same as I do  
But we could be together  
If you wanted to  
(Do I wanna know?)  
If this feeling flows both ways  
(Sad to see you go)  
Sort of hoping that you'd stay  
(Baby we both know)  
That the nights were mainly made for saying things  
That you can't say tomorrow day  
Crawling back to you  
Ever thought of calling when you've had a few?  
Cause I always do  
Maybe I'm too  
Busy being yours to fall for somebody new  
Now I've thought it through  
Crawling back to you  
(Do I wanna know?)  
If this feeling flows both ways  
(Sad to see you go)  
Sort of hoping that you'd stay  
(Baby we both know)  
That the nights were mainly made for saying things  
That you can't say tomorrow day  
Crawling back to you  
Ever thought of calling when you've had a few?  
Cause I always do  
Too busy being yours to fall  
(Sad to see you go)  
Ever thought of calling, darling?
