Em C Am
Have you got colour in your cheeks?

Em
Do you ever get the fear that you can't shift the type that sticks around like something in your teeth?

C Am
Are there some aces up your sleeve?

Em
Have you no idea that you're in deep?

Em
I dreamt about you nearly every night this week

C Am
How many secrets can you keep?

C
(Do I wanna know?)

Am
(Baby we both know)

Em
That the nights were mainly made for saying things that you can't say tomorrow day

Em
Crawling back to you

C Am
Ever thought of calling when you've had a few?

Em
Cause I always do

C Am
Maybe I'm too busy being yours to fall for somebody new

Em
Now I've thought it through

C
Crawling back to you

C Am
So have you got the guts?

Em
Been wondering if your heart's still open, and if so I wanna know what time it shuts

C Am
Simmer down and pucker up

I'm sorry to interrupt

Em C Am
