

# Arctic Monkeys - Fireside

Tom: F

Intro: Dm

Dm  
I can't explain but I wanna try  
There's this image of you and I  
And it goes dancing by Bb  
In the morning and the night time Gm Dm  
There's all these secrets that I can't keep  
Like in my heart there's that hotel suite  
And you lived there so long Bb  
It's kind of strange now you're gone Gm Dm

[Chorus]  
I'm not sure if I should Bb  
Show you what I've found Gm  
Has it gone for good Bb  
Or is it coming back around? Gm  
Isn't it hard to make up your mind Bb  
When you're losing Gm  
And your fuse is fireside Dm

[Verse2]  
Dm  
There's all those places we used to go  
And I suspect that you already know Bb  
But that place on memory lane Gm  
You like still looks the same Dm

But something about it's changed

[Chorus]  
I'm not sure if I should Bb  
Show you what I've found Gm  
Has it gone for good Bb  
Or is it coming back around? Gm  
Isn't it hard to make up your mind Bb  
When you're losing Gm  
And your fuse is fireside Dm

[Bridge]  
And I thought I was yours, Forever Bb Gm Bb  
Or maybe I was mistaken, Gm  
But I just can't help manage to Bb  
Get through the day without thinking of you lately Gm Dm

[Chorus]  
I'm not sure if I should Bb  
Show you what I've found Gm  
Has it gone for good Bb  
Or is it coming back around? Gm  
Isn't it hard to make up your mind Bb  
When you're losing Gm  
And your fuse is fireside Dm
