Come on in the waters, lovely  
Look you could meet someone you like during the meteor strike  
It is that easy

Am  
Lunar surface on a saturday day night  
Dressed up in silver and white with  
Coloured old grey whistle test lights

Em Am  
Take it easy for a little while  
Come and stay with us  
It's such an easy flight  
Cute new places keep on popping up  
Since the exodus it's all getting gentrified  
I put a taqueria on the roof it was well reviewed  
Four stars out of five and thats unheard of

Am  
Bridge and tunnel on the starlight express  
The hero of special effects in my mind's eye  
Hokey cokey with the opposite sex

The things you try to forget  
Doesn't time fly  
I'm in no position to give advice, I don't want to be nice  
And you know that  
Take it easy for a little while  
Come and stay with us  
It's such an easy flight  
Cute new places keep on popping up  
Since the exodus it's all getting gentrified  
The information action ratio is the place to go  
And you will not recognise the old headquarters  
All the nights that never happened and the days that don't exist  
At the information action ratio  
The only time that we stop laughing is to breathe or steal a kiss  
I can get you on the list for all the clubs  
I can lift you up another semitone  
( Gm C )  
( F Dm )  
Take it easy for a little while  
Come and stay with us  
It's such an easy flight  
Cute new places keep on popping up  
Since the exodus it's all getting gentrified  
The information action ratio is the place to go  
Four stars out of five  
I put a taqueria on the moon  
It got rave reviews  
Four stars out of five  
Take it easy for a little while  
Four stars out of five  
Come and stay with us  
Take it easy for a little while  
Four stars out of five  
[Final] Am Am7 Am Am7 Am F
