D Em
Instilled in your brain you've got something to prove

B
To all the smirking faces and the boys in black
D
Why can't they be pleasant?

Em
Why can't they have a laugh?
B
He's got his hand in your chest

He wants to give you a duff
D Em
Well secretly I think they want it all to kick off

Bottles aswell it's just
D
Something to talk about
