**B**  
And one of em's alright

The other one's the scary one  
**D** His way or no way, totalatarian **Em**  
**B** He's got no time for you

Looking or breathing  
**D** How he don't want you to  
**Em** So step out the queue

**B**  
He makes examples of you

And there's nowt you can say  
**D** Behind they go through to the bit where you pay **Em**  
**B** And you realise then that it's finally the time  
**D** To walk back past ten thousand eyes in the line **Em**

(Riff 1)

**B**  
And you can swap jumpers and make another move  
**D** Instilled in your brain you've got something to prove **Em**

**B**  
To all the smirking faces and the boys in black  
**D** Why can't they be pleasant?

**Em** Why can't they have a laugh?  
**B** He's got his hand in your chest

He wants to give you a duff  
**D** Well secretly I think they want it all to kick off **Em**  
**B** They want, arms flying everywhere and

Bottles aswell it's just  
**D** Something to talk about  
**Em** A story to tell you

(Riff 2)

**B**  
Well I'm so glad they turned us all away we'll put it down to fate  
(Riff 2)

**B**  
I thought a thousand million things that I could never say

this morning  
(Riff 2)  
**B**  
Got too deep, but how deep is too deep?  
(Riff 2)

**B**  
This town's a different town today  
**D** This town's a different town to what it was last night **Em**  
You couldn't have done that on a Sunday.. **B** **Em**

(Riff 3)

**B**  
That girl's a different girl today  
**D** Said that girl's a different girl to her you kissed last night **Em**  
You couldn't have done that on a Sunday **D** Of course no. **Em**
