[Primeira Parte]

If you can summon the strength, tow me
 I can't hold down the urgency
 You've got to make your descent slowly
 And oil up those sticky keys

[Refrão]

Coax me out, my love
 And have a spin of my propeller
 (Em G Em G)
 (Em G Em G)

[Segunda Parte]

It's a necessary evil
 No cause for emergency

Borrow the beak of a bald eagle
 Oh, momentary synergy

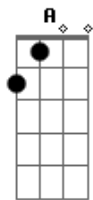

[Refrão]

Coax me out, my love
 Sink into tomorrow
 Coax me out, my love
 And have a spin of my propeller

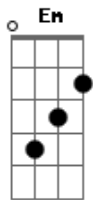

(Em G)
 (C Am C Bm)
 (Em G)
 (C Am C Bm)

My propeller won't spin and I can't get it started on my own
 When are you arriving?
 My propeller won't spin and I can't get it started on my own
 When are you arriving?
 My propeller won't spin and I can't get it started on my own
 When are you arriving?
 My propelleeeeeeeeeer
