E Dbm Abm E  
 Lady, where has your love gone?  
 A Gbm E E7  
 I was looking but can't find it anywhere  
 A Gbm Abm Db  
 They always offer when there's loads of love around  
 Gbm B E  
 But, when you're short of some, it's nowhere to be found

E Dbm Abm E  
 Well, I know your game, you told him yesterday  
 A Gbm E E7  
 No chance, you'll get nothin' from me  
 A Gbm Abm Db  
 But now she's there, you're there, everybody's there  
 Gbm B E  
 He's in turmoil, as puzzled as can be  
 E7  
 Just like me

A Ab  
 Let's go down, down, low down  
 Dbm Gbm  
 Where I know I should not go  
 A Ab  
 Oh and she thinks she's the one  
 Dbm Gbm  
 But she's just one in twenty-four  
 A A A  
 And just 'cause everybody's doin' it  
 Ab Ab Ab  
 Does that mean that I can, too?

E Dbm Abm E  
 Lady, where has your love gone?

A Gbm E E7  
 It was the anti-septic to the sore  
 A Gbm Abm Db  
 To hold you by the hand  
 Abm Db  
 Must be first, be in demand  
 Gbm B E  
 How he longs for you to long for him once more  
 E7  
 Just once more

A Ab  
 Let's go down, down, low down  
 Dbm Gbm  
 Where I know I should not go  
 A Ab  
 Oh and she thinks she's the one  
 Dbm Gbm  
 But she's just one in twenty-four  
 A A A  
 And just 'cause everybody's doin' it  
 Ab Ab Ab  
 Does that mean that I can, too?  
 Dbm Ab Abm Gm Gbm  
 Her eyes went down and cut you up  
 B  
 And there's nothing like a dirty look from  
 Dbm Ab Abm Gm Gbm B  
 The one you want, or the one you've lost

E Dbm Abm E A  
 An ache in your soul is everybody's goal  
 Gbm E E7  
 To get what they can't have  
 A Gbm  
 That's why you're after her  
 Abm  
 And that's why she's after him  
 Db Gbm B E  
 But sayin' it won't change a thing  
 Gbm B E  
 And they'll realize that it won't change a thing  
 Gbm B E  
 Realize that it won't change a thing
