

Arctic Monkeys - No1 Party Anthem

tom:
 Em
 So, you're on the prowl wondering whether

 G B Sunglasses indoors, par for the course
 C Lights in the floors and sweat on the walls
 Am D G Cages and poles
 [Segunda Parte]
 G B Call off the search for your soul
 C Or put it on hold again
 Am D She's having a sly indoor smoke
 G And she calls the folks who run this her oldest friends
 G B Sipping a drink and laughing at imaginary jokes
 C Am As all the signals are sent, her eyes invite you to approach
 D Cm And it seems as though those lumps in your throat
 D That you just swallowed have got you going
 [Refrão]
 G G Come on, come on, come on
 G7 C Come on, come on, come on
 Cm G Number one party anthem
 [Terceira Parte]
 G B She's a certified mind blower
 C Knowing full well that I don't
 Am D May suggest there's somewhere from which you might know her

 Am D I just want you to do me no good
 Cm D And you look like you could
 [Refrão]
