```
   Gbm                                        D                Bm
Cutter shaped heartaches, that comes to find you fall in some
velvet morning
   Gbm                                 D                Bm
Years too late, she's a silver lining lone ranger riding
   Gbm                                 D                Bm
Through an open space, in my mind when she's not right there
beside me

Refrão:

     Gbm                             D                              Bm
I go crazy 'cause here isn't where I wanna be
        Gbm                          D                              Bm
And satisfaction feels like a distant memory
        Gbm                      D         Bm
Gbm         D   Bm
And I can't help myself, all I wanna hear her say is "Are you
mine? "
            Gbm                  D              Bm
Are you mine?
            Gbm                  D              Bm
Are you mine?
            Gbm                  D              Bm
Are you mine?    (Alright)

(  Gbm   D   Bm  )

Verso:

   Gbm                                 D                Bm
I guess what I'm trying to say is I need the deep end, keep
imagining meeting,
   Gbm                                 D                Bm
Wished away entire lifetimes, unfair we're not somewhere
   Gbm                                 D                Bm
Misbehaving for days, great escape lost track of time and
space
   Gbm                                 D                Bm
She's a silver lining climbing on my desire

  Gbm                           D                                Bm
I go crazy 'cause here isn't where I wanna be
        Gbm                          D                              Bm

        Gbm                      D         Bm
Gbm         D   Bm
And I can't help myself, all I wanna hear her say is "Are you
mine? "
  Gbm                  D              Bm
Are you mine? (Are you mine tomorrow?)

Are you mine? (Or just mine tonight?)
 Gbm                   D              Bm
Are you mine? (Are you mine ?)

(  Gbm   D   Bm  )

       Bm                            D
Gbm
And the thrill of the chase moves in mysterious ways
        A
So in case I'm mistaken,
    Bm                                D                   Db

I just wanna hear you say "You got me baby

Are you mine?"
