What's been happening in your world? (oh)
What have you been up to?

Am

I heard that you fell in love
Or near enough

B

I gotta tell you the truth yeah

[Chorus]

I wanna grab both your shoulders and shake baby
Snap out of it (Snap out of it)

I get the feeling I left it too late, but baby
Snap out of it (Snap out of it)

If that watch don't continue to swing or the
Fat lady fancies having a sing, I'll be here

Waiting ever so patiently for you to
Snap out of it

Waiting ever so patiently for you to
Snap out of it

If that watch don't continue to swing or the
Fat lady fancies having a sing, I'll be here

Waiting ever so patiently for you to

Snap out of it

[Verse 2]

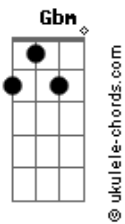

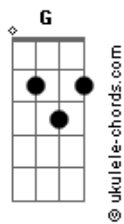

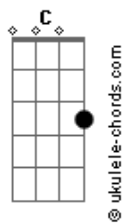

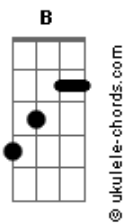

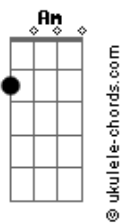

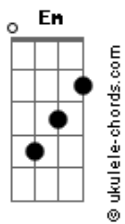

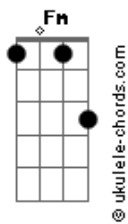

Forever isn't for everyone
Is forever for you?

It sounds like settling down
Or giving up

But it don't sound much like you girl

[Chorus]

Acordes

I wanna grab both your shoulders and shake baby

Snap out of it (Snap out of it)

I get the feeling I left it too late, but baby
Snap out of it (Snap out of it)

If that watch don't continue to swing or the
Fat lady fancies having a sing, I'll be here

Waiting ever so patiently for you to
Snap out of it

Waiting ever so patiently for you to
Snap out of it

Waiting ever so patiently for you to
Snap out of it

Snap out of it

[Bridge]

Under a spell you're hypnotized (oh)

Darling how could you be so blind? (snap out of it)

Under a spell you're hypnotized (oh)

Darling how could you be so blind (snap out of it)

[Chorus]

I wanna grab both your shoulders and shake baby
Snap out of it (Snap out of it)

I get the feeling I left it too late, but baby
Snap out of it (Snap out of it)

If that watch don't continue to swing or the
Fat lady fancies having a sing, I'll be here

Waiting ever so patiently for you to
Snap out of it

Waiting ever so patiently for you to
Snap out of it
