

# Area 31 - Bad Dreams

tom:

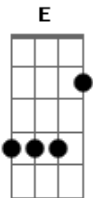

Everybody in daze inmates of darkness yeah  
 Bad dreams and sweat  
 Praising blood and dust the sun sets grim yeah  
 Black sky bleeding  
 Time changing the will turn heart into steel yeah  
 Black times rising yeah  
 Bitter hatred and lust shadows hiding the sun yeah  
 Shaft of pledging

Yeahhhhhh eahhhhhh dreaming  
 Yeahhhhhh eahhhhhh dreaming  
 Sacred shatered souls slowly rambling in birth yeah  
 Cursed gleaming  
 Drinking wine eating dirt light increasing the dark yeah  
 Hash toughts screaming  
 Yeahhhhhh eahhhhhh dreaming  
 Yeahhhhhh eahhhhhh dreaming  
 Yeahhhhhh eahhhhhh dreaming  
 Yeahhhhhh eahhhhhh dreaming  
 Yeahhhhhh eahhhhhh dreaming
