

Area 31 - Bad Dreams

tom:

Everybody in daze inmates of darkness yeah
 Bad dreams and sweat
 Praising blood and dust the sun sets grim yeah
 Black sky bleeding
 Time changing the will turn heart into steel yeah
 Black times rising yeah
 Bitter hatred and lust shadows hiding the sun yeah
 Shaft of pledging

Yeahhhhhh eahhhhhh dreaming
 Yeahhhhhh eahhhhhh dreaming
 Sacred shatered souls slowly rambling in birth yeah
 Cursed gleaming
 Drinking wine eating dirt light increasing the dark yeah
 Hash toughts screaming
 Yeahhhhhh eahhhhhh dreaming
 Yeahhhhhh eahhhhhh dreaming
 Yeahhhhhh eahhhhhh dreaming
 Yeahhhhhh eahhhhhh dreaming
 Yeahhhhhh eahhhhhh dreaming
