

# Arena Louvor - Vem Espirito de Deus

Tom: F

Som que ressoa  
 E vem do Céu  
 Nos alcance e invade esse lugar  
 Vento veemente, impetuoso  
 Enche o templo e sopra sobre nós  
 Vem como em pentecostes  
 É o poder do Espírito

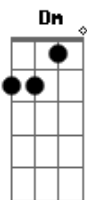

É fogo, fogo, fogo que desce aqui

Vem Espirito de Deus  
 Vem com teu poder  
 E transforma o meu ser  
 Me enche ate transbordar da tua gloria  
 Vem com teu fluir  
 E faz tudo novo em mim  
 Mais que te sentir  
 Quero ser mudado completamente
