

# Aretha Franklin - A Change Is Gonna Come

tom:  
 Bb  
 There's an old friend  
 F Gm Bb  
 That I once heard say  
 Eb Cm  
 Something that touched my heart  
 C F  
 And it began this way  
 Bb Dm Gm7  
 I was born by the river  
 Bb Cm7  
 In a little tent  
 Gm  
 And just like the river  
 F Bb  
 I've been runnin' ever since  
 Eb D7  
 He said it's been a long time comin'  
 Gm Gm7  
 But I know my change is gonna come  
 Bb  
 Oh, yeah  
 ( Cm7 F7 Bb )  
 Gm  
 He said it's been too hard livin'  
 Bb Cm7  
 But I'm afraid to die  
 Cm  
 I might not be if I knew  
 Gm F Bb  
 What was up there beyond the sky  
 Bb7 Eb7M Eb D7  
 It's been a long, a long time comin'  
 Gm  
 But I know my change has got to come  
 Bb Cm  
 Oh, yeah  
 Gm Cm  
 I went, I went to my brother  
 Gm  
 And I asked him: brother  
 Cm7  
 Could you help me, please?  
 Gm

He said: good sister  
 I'd like to, but I'm not able  
 C C7  
 And when I, when I looked around  
 I was right back down  
 F  
 Down on my bended knees  
 F7 Bb  
 Yes, I was, oh  
 D Gm  
 There've been times that I thought  
 Bb Cm7  
 I thought that I wouldn't last for long  
 Gm  
 But somehow right now I believe  
 F Bb7  
 That I'm able, I'm able to carry on  
 I tell you that it's been along  
 Eb  
 And oh, it's been an uphill journey  
 D7  
 All the way  
 Gm  
 But I know, I know, I know  
 Eb7 Bb  
 I know my change is gonna come  
 Bb7 Eb7  
 Sometimes I had to cry all night long  
 Yes, I did  
 Bb7 Eb7  
 Sometimes I had to give up right  
 For what I knew was wrong  
 Bb7  
 Yes, it's been an uphill journey  
 Eb7  
 It's sure's been a long way comin'  
 Yes, it has  
 Bb7  
 It's been real hard  
 Eb7  
 Every step of the way  
 But I believe, I believe  
 Bb7  
 This evenin' my change is come
