Looking out on the morning rain I used to feel uninspired
And when I knew I had to face another day
                      D
Lord, it made me feel so tired.
                    Bm
Before the day I met you, life was so unkind
                         D
But your love was the key to my peace of mind
                 A D
'Cause you make me feel, you make me feel
              D A
                             Bm
You make me feel like a natural woman
When my soul was in the lost-and-found
You came along to claim it I didn't know just what was wrong
Till your kiss helped me name it now
```

```
I'm no longer doubtful of what I'm living for
'Cause if I make you happy I don't need to do more

You make me feel, you make me feel
                  Α
You make me feel like a natural woman
