

# Ari Hest - When And If

Tom: D

I wrote her a letter yesterday  
 Told her that I'm fine  
 That I can't wait to come home back  
 And make up for lost time  
 The same life I promised her before  
 I'm going to give her when I opened that door

They say I'm here to fight their cause  
 And that I could die trying  
 I'd like to think their aim is true  
 But I think that they're lying  
 The same life I was living well before  
 I'm taking back soon as I open that door  
 Lord, will I live to see that day?

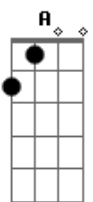

Deliver me a sign  
 Cause it is only a matter of time  
 Before I lose my mind (4x) (Bm D A E )  
 Yeah, I'm losing my mind  
 The same life I was living well before  
 I'm taking back soon as I open that door  
 Cause every day I wake up to this war  
 I load up my gun and I can't tell you what for

I wrote her a letter yesterday  
 Told her that I'm fine  
 I may not see her ever again  
 But I'm gonna die trying  
 I'm gonna die trying  
 I'm gonna die trying. die trying
