 If you know how to treat me
 You know how to touch me
 Baby then you'll get the chance
 The chance to love me
 It's obvious I want to be into you
 But it all depends on all the things you do
 Cause babe I promise, I promise
 If you keep it real with me
 Be honest, be honest
 You can get anything you want

That you want babe
 Just show me everything I need to see
 I'll give you anything boy
