

# Ariana Grande - Daydreamin

Tom: G

G Em  
 You walked in  
 Eb D  
 Caught my attention  
 G Em  
 I've never seen  
 Eb D  
 A man with so much dimension  
 G  
 It's the way you walk  
 Em  
 The way you talk  
 Eb D  
 The way you make me feel inside  
 G  
 It's in your smile  
 Em  
 It's in your eyes  
 Eb D  
 I don't want to wait for tonight

(THE REST OF THE SONG IS LIKE THIS)

Hook  
 So I went daydreamin'  
 With my chin in the palm of my hands  
 About you, you, and only you  
 Got me daydreamin'  
 With my chin in the palm of my hands  
 About you, you, and only you

Say yes  
 Say yes  
 Say yes

Verse 2:

Now I can't wait  
 To hold you in my arms  
 I know I was made for you  
 And in love with all your charm  
 It's the way you walk  
 The way you talk  
 The way you make me feel inside  
 It's in your smile  
 It's in your eyes  
 I don't want to wait for tonight

Hook
