Ariana Grande - Don't Call Me Angel (feat. Miley Cyrus and Lana Del Rey)

```
[Pré-Refrão]
Tom: A
Intro: Cm
                                                                 Cm
                                                                                           Bb
[Refrão]
                                                                   Keep my name out your mouth
                                                                                   Ab
                                                                I know what you about
Boy, don't call me angel
                                                                                           Fm7
                                                                So keep my name out your mouth, oh yeah
You ain?t got me right
                                                                 [Refrão]
Don't call me angel
                                                                 Cm
                                                                Boy, don't call me angel
You can't pay my price
               Bb
Ain?t from no heaven
                                                                You ain?t got me right
                                                                Don't call me angel
                   Ab
Yeah you heard me right (yeah, you heard me)
                         Fm7
                                                                 You can't pay my price
Even though you know we fly (though you know we)
                                                                                Bb
                                                                 Ain?t from no heaven
Don't call me angel
                                                                                    Ab
                                                                Yeah you heard me right (yeah, you heard me)
[Primeira Parte]
                                                                                          Fm7
                                                                 Even though you know we fly (though you know we)
Cm
Uh, don't call me angel when I'm a mess
                                                                Don't call me angel
Don't call me angel when I get undressed
You know I, I don't like that, boy
                                                                 [Ponte]
Uh, I make my money and I write the checks
So say my name with a little respect
                                                                 Ab
All my girls successful, and you're just our guest
                                                                 I appreciate the way you watch me, I can't lie
                                                                           Bb
[Pré-Refrão]
                                                                 I drop it down, I pick it up, I back it off the county line
                                                                              G7
                                                                 I fell from heaven, now I'm living like a devil
Cm
  Do I really need to say it?
                                                                                            Ab7M
Bb
                                                                You can't get me off your mind
 Do I need to say it again, yeah?
                                                                 Fm7
Ab
 You better stop the sweet talk
                                                                 I appreciate the way you want me, I can't lie
                                                                           Bb
    Fm7
And keep your pretty mouth shut
                                                                I drop it low, I back it up, I know you wanna think you're
                                                                mine
[Refrão]
                                                                       67
                                                                 Baby, I totally get it, you can't guess so
Cm
                                                                                            Ab7M
Boy, don't call me angel
                                                                You can't get me off your mind (we in it together, but don't
                                                                 call me angel)
You ain?t got me right
Don't call me angel
                                                                 [Refrão]
You can't pay my price
                                                                 Cm
                                                                Boy, don't call me angel
               Bb
Ain?t from no heaven
                                                                 You ain?t got me right
                   Ab
Yeah you heard me right (yeah, you heard me)
                                                                Don't call me angel
                         Fm7
Even though you know we fly (though you know we)
                                                                You can't pay my price
                                                                                Bb
Don't call me angel
                                                                 Ain?t from no heaven
                                                                                    Ab
[Segunda Parte]
                                                                Yeah you heard me right (yeah, you heard me)
                                                                                          Fm7
                                                                 Even though you know we fly (though you know we)
  See you here with somebody, you sizin' up my body, oh yeah
                                                                 Don't call me angel
Don't you know that I bite when the sun set, yeah
So don?t you try come around me
                                                                 [Final]
Might work with her but not me, oh yeah
                                                                 Cm
                                                                    (Yeah, you heard me) Angel, don't call me angel
Don't you know that I bite when the sun set?
                                                                    (Yeah, you heard me)
                                                                                            Don't call me angel
