

# Ariana Grande - Everytime

Tom: Gb

Back to you, back to you, back to you  
 Back to you, back to you, back to you  
 I go back to you, back to you, back to you every time

I get tired of your no-shows  
 You get tired of my control  
 They keep telling me to let go  
 But I don't really let go when I say so  
 I keep giving people blank stares  
 I'm so different when you're not there  
 It's like something out of Shakespeare  
 Because I'm really not here when you're not there

I've tried to fight our energy  
 But every time I think I'm free

You get high and call on the regular  
 I get weak and fall like a teenager  
 Why, oh why does God keep bringing me back to you?  
 I get drunk, pretend that I'm over it  
 Self-destruct, show up like an idiot  
 Why, oh why does God keep bringing me back to you?

Back to you, back to you, back to you  
 Back to you, back to you, back to you  
 I go back to you, back to you, back to you every time

Just when I get on a new wave  
 Boy, you look at me and I slip outta my lace  
 They keep calling me a head-case  
 Cause I can't make a good case why we can't change

I've tried to fight our energy  
 But every time I think I'm free

You get high and call on the regular  
 I get weak and fall like a teenager  
 Why, oh why does God keep bringing me back to you? (Back to you, baby)  
 I get drunk, pretend that I'm over it  
 Self-destruct, show up like an idiot  
 Why, oh why does God keep bringing me back to you?

I go back to you, back to you, back to you (I go back to you)  
 Back to you, back to you, back to you (back to you)  
 I go back to you, back to you, back to you every time (I go)  
 I go back to you, back to you, back to you  
 Back to you, back to you, back to you  
 I go back to you, back to you, back to you every time
