Intro: Bm A Bm

You, you love it how I move you

You love it how I touch you

My one ---- when all is said and done

You'll believe God is a woman

And I --- I feel it after midnight

A feelin' that you can't fight

My one ---- it lingers when we're done

You'll believe God is a woman

I don't wanna waste no time, yeah

You ain't got a one-track mind, yeah

Have it any way you like, yeah

And I can tell that you know I know how I want it

Ain't nobody else can relate

Boy, I like that you ain't afraid

Baby, lay me down and let's pray

I'm tellin' you the way I like it, how I want it

(Yeah) And I can be all the things you told me not to be

(Yeah) When you try to come for me, I keep on flourishing

(Yeah) And he see the universe when I'm in company

It's all in me

You, you love it how I move you

You love it how I touch you

My one ---- when all is said and done

You'll believe God is a woman

And I --- I feel it after midnight

A feelin' that you can't fight

My one ---- it lingers when we're done

You'll believe God is a woman

I'll tell you all the things you should know

So, baby, take my hand, save your soul

We can make it last, take it slow

And I can tell that you know I know how I want it

Yeah, but you different from the rest

And boy, if you confess, you might get blessed

See if you deserve what comes next

I'm tellin' you the way I like it, how I want it

(Yeah) And I can be all the things you told me not to be

(Yeah) When you try to come for me, I keep on flourishing

(Yeah) And he see the universe when I'm in company

It's all in me

You, you love it how I move you

You love it how I touch you

My one ---- when all is said and done

You'll believe God is a woman

And I --- I feel it after midnight
