

Ariana Grande - ?Imperfect For You

Intro: E

tom:

My boy, come take my hand
 Throw your guitar and your clothes in the back seat
 My love, they don't understand
 But I'll hold your hurt in the box here beside me
 How could we know
 We'd rearrange all the cosmos? Mmm
 We crashed and we burned
 Now I just can't go where you don't go
 And usually I'm

Fucked up, anxious, too much
 But I'll love you like you need me to
 Imperfect for you
 Messy, completely distressed
 But I'm not like that since I met you
 Imperfect for you

Let's go tonight
 'Caus? there's just a few s?conds left till tomorrow
 We have all that we need
 Let's leave our baggage and wine at the table (mmm)
 Mmm, how could we know
 That this was a happy disaster? Mmm (happy disaster, mmm)
 I'm glad we crashed and burned (we crashed and burned)
 I'll never forget when you told me

You said: Usually I'm
 Fucked up, anxious, too much
 But I'll love you like you need me to
 Imperfect for you
 Messy, completely distressed (distressed)
 But I'm not like that since I met you

Mmm, how could we know
 We'd make the bad stuff delightful? Mmm
 I'm glad we crashed and burned
 I know we'll be there for each other
 When we're feeling

Fucked up, anxious, too much
 But I'll love you like you need me to
 Imperfect for you
 Messy, completely distressed
 But I'm not like that since I met you
 Imperfect for you

Fucked up, anxious, too much
 ... Like you need me to
 Imperfect for you
 Messy, completely distressed
 ... Like that since I met you
 Imperfect for you
