

Ariana Grande - Love The Way You Lie

Tom: F
Intro:

Just gonna stand there and watch me burn,
But that's alright because I like the way it hurts.
Just gonna stand there and hear me cry,
But that's alright because I love the way you lie,
(deixe o acorde soar)
I love the way you lie

Verso:

I can't tell you what it really is, I can only tell you what it feels like
And right now, there's a steel knife in my windpipe
I can't breathe, but I still fight while I can fight
As long as the wrong feels right, it's like I'm in flight
High off of love, drunk from my hate,
it's like I'm huffin' paint and I love it, the more I suffer, I suffocate
And right before I'm about to drown, she resuscitates
Me, she fuckin' hates me, and I love it, Wait!
Where you going? I'm leaving you. No you ain't,
Come back. We're running right back, here we go again, it's so insane

Cuz when it's going good, it's going great
I'm Superman with the wind at his back, she's Lois Lane
But when and it's bad, it's awful, I feel so ashamed,
I snap Who's that dude? , I don't even know his name
I laid hands on her, I'll never stoop so low again

I guess I don't know my own strength

Refrão:

Just gonna stand there and watch me burn,
But that's alright because I like the way it hurts.
Just gonna stand there and hear me cry,
But that's alright because I love the way you lie,
I love the way you lie
I love the way you lie

Verso 2:

You ever love somebody so much, you can barely breathe when you with 'em?
You meet, and neither one of you even know it hit 'em
Got that warm fuzzy feeling, yeah them chills used to get 'em
Now you gettin' fuckin' sick of lookin' at 'em
You swore you'd never hit 'em, never do nothin' to hurt 'em

Now you're in each other's face spewing venom in your words when you spit 'em

You push, pull each other's hair, scratch, claw, bit 'em
Throw 'em down, pin 'em, so lost in the moments when you're in 'em

It's the face that's the culprit, controls you both

So they say, you'd best to go your separate ways
Guess that they don't know ya cuz today, that was yesterday,
Yesterday is over and it's a different day,

Sound like broken records playing over but you promised her,
Next time you'd show restraint, you don't get another chance
Life is no nintendo game, but you lied again

Now you get to watch her leave out the window
Guess that's why they call it window pane

Refrão:

Just gonna stand there and watch me burn,
But that's alright because I like the way it hurts.
Just gonna stand there and hear me cry,
But that's alright because I love the way you lie,
I love the way you lie
I love the way you lie

Verso 3:

Now I know we said things, did things that we didn't mean
And we fall back into the same patterns, same routine
But your temper's just as bad as mine is; you're the same as me
When it comes to love you're just as blinded
Baby please come back, it wasn't you. Baby it was me,
Maybe our relationship isn't as crazy as it seems
Maybe that's what happens when a tornado meets a volcano
All I know is I love you too much, to walk away though
Come inside, pick up your bags off the sidewalk
Don't you hear sincerity in my voice when I talk?
Told you this is my fault, look me in the eyeball
Next time I'm pissed, I'll aim my fist at the drywall
Next time? There won't be no next time
I apologize, even though I know it's lies
I'm tired of the games, I just want her back. I know I'm a liar,
If she ever tries to fuckin' leave again,
Ima tie her to the bed and set this house on fire
Just gonna
