

Ariana Grande - Moonlight

Tom: D

INTRO:

REAPPEAT:

The Sun is setting in your eye, here by my side

And the movie's playing, but we won't be watching tonight

Every look, every touch makes me wanna give you my heart

I be crushin' on you, baby

Stay the way you are, 'cause...

I never knew, I never knew

You could have moonlight in your hands

'Til the night I held you

You're my moonlight, moo... oon.. light

I kiss his fingertips

As I'm wishing he's all mine

He's giving me Elvis

With some James Dean in his eyes

Puts his lips on my neck

Makes me want to give him my body

I be fallin' for you, baby

And I just can't stop, 'cause

I never knew, I never knew

You could have moonlight in your hands

'Til the night I held you

You're my moonlight, moo... oon.. light

Baby I be fallin'

You're my moonlight, moo... oon.. light

He's so bossy

He makes me dance

Tryna sit in the back of his whip

And just cancel my plans

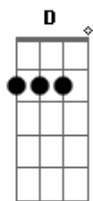

Sweet like candy

But he's such a man

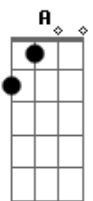

He knows just what it does when he's holding me tight

And he calls me "Moonlight" too
