

Ariana Grande - Pink Champagne

Tom: Bb

(com acordes na forma de Capotraste na 3ª casa G)

Every day Im grindin
 I dont even get a weekend
 Been livin my life
 In black and white no sleeping
 So tonight Im gonna flip it
 Like in a New York minute
 We re gonna hail a cab
 And dont look back
 Once we get in it
 Lemme hear you say
 Oooh
 I cant keep it bottled up
 Lemme hear you say
 Oooh
 I cant keep it bottled up
 Make it pop like pink champagne
 In the purple rain
 We gonna paint paint paint the city
 We re gonna show em off
 all our pretty pretty
 Pink champagne
 Let em know our names
 Scream it so loud
 Theyll hear us in LA
 We re poppin like pink champagne
 We re poppin like pink champagne
 We re poppin like pink champagne
 Don t need no guest list
 Everybodys invited
 I said even if you cant get in
 We ll dance outside it
 We re gonna make this bubble

Carbonate some trouble
 When the night gets black
 Gotta take it back to another level
 Lemme hear you say
 Oooh
 I cant keep it bottled up
 Lemme hear you say
 Oooh
 I cant keep it bottled up
 Make it pop like pink champagne
 In the purple rain
 We gonna paint paint paint the city
 We re gonna show em off
 all our pretty, pretty
 Pink champagne
 Let em know our names
 Scream it so loud
 Theyll hear us in LA
 We re poppin like pink champagne
 We re poppin like pink champagne
 We re poppin like pink champagne
 C
 Make it pop
 Ooohhh
 Make it pop like pink champagne
 In the purple rain
 We gonna paint paint paint the city
 We re gonna show em off
 all our pretty, pretty
 Pink champagne
 Let em know our names
 Scream it so loud
 They ll hear us in LA
 We re poppin like pink champagne
 We re poppin like pink champagne
 We re poppin like pink champagne
