C7M  
I know I be on some bullshit  
Am7  
Know I be driving you crazy  
F7M  
But I know you love how I whip it  
Ab  
You can only stay mad for a minute  
C7M  
So come here and give me some kisses  
Am7  
You know I'm very delicious  
F7M  
You know I'm very impatient  
Ab  
Might change my mind, so don't keep me waiting

[Ponte]

C7M Am7  
I just wonder, baby, if you're gonna stay  
F7M Ab  
Even if one day I lose it and go crazy  
C7M  
I know this shit kinda heavy  
Am7  
I just wanna tell you directly  
F7M Ab  
So boy, let me know if you ready

[Refrão]

C7M  
Are you down, what's up?  
Am7  
Are you down, what's up?  
F7M Ab  
Are you down?
