

Ariana Grande - We Can't Be Friends (Wait For Your Love)

tom:
 Capostraste na 3ª casa (forma dos acordes no tom de F)

I didn't think you'd understand me
 How could you ever even try?
 I don't wanna tiptoe, but I don't wanna hide
 But I don't wanna feed this monstrous fire
 Just wanna let this story die
 And I'll be alright
 We can't be friends
 But I'd like to just pretend
 You cling to your papers and pens
 Wait until you like me again
 Wait for your love
 My love, I'll wait for your love
 Me and my truth, we sit in silence, mmm
 Baby girl, it's just me and you
 'Cause I don't wanna argue, but I don't wanna bite
 My tongue, yeah, I think I'd rather die
 You got me misunderstood, but at least I look this good
 We can't be friends
 But I'd like to just pretend
 You cling to your papers and pens
 Wait until you like me again

Wait for your love
 My love, I'll wait for your love
 I'll wait for your love
 My love, I'll wait for your love
 Know that you made me
 I don't like how you paint me
 Yet I'm still here hanging
 Not what you made me
 It's something like a daydream
 But I feel so seen in the night
 So for now it's only me
 And maybe that's all I need
 We can't be friends
 But I'd like to just pretend
 You cling to your papers and pens
 Wait until you like me again
 Wait for your love
 My love, I'll wait for your love
 I'll wait for your love
 My love, I'll wait for your love
 I'll wait for your love
 I'll wait for your love
 I'll wait for your love
 I'll wait for your love
 I'll wait for your love
 I'll wait for your love
