

# Ariana Grande - Wit It This Christmas

Tom: G

Come and kiss me, baby  
 We don't need no mistletoe  
 We don't need no fireplace  
 Boy, I'll keep you nice and warm

Are you down for some of these milk and cookies?  
 Down for loving, you'll be my drummer boy  
 And I'm the only drum that you gonna play  
 'Tis the season for some love giving  
 So I think you should give your love to me

Baby, let me know

Are you with it? Are you with it?  
 Are you with it this Christmas? (Baby, let me know)  
 Are you with it? Are you with it?  
 Are you with it this Christmas?

We don't need no presents, we don't need the kitchen  
 We don't need them recipes  
 You know I'm tasty like a candy cane or gingerbread  
 I'm made with love

Are you down for some of these milk and cookies?  
 Down for loving, you'll be my drummer boy  
 And I'm the only drum that you gonna play  
 'Tis the season for some love giving  
 So I think you should give your love to me

Baby, let me know

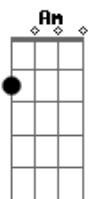

Are you with it? Are you with it?  
 Are you with it this Christmas? (Baby, let me know)  
 Are you with it? Are you with it?  
 Are you with it this Christmas?
